Coronavirus Information and Resources

Casitas Municipal Water District (District) is monitoring the Coronavirus Outbreak (COVID-19) situation closely and taking reasonable precautionary measures to protect the health and safety of our staff and citizens. Health officials indicate that individuals should consider strategies limiting exposure to this communicable disease such as decreasing social contact.

The District offices will be closed to customers as of March 19, 2020 at 8:00 AM until further notice. Please conduct all business via phone, email, or Internet. Customers may pay their bills online at <https://www.municipalonlinepayments.com/casitasmwdca>, or payments may be dropped off in the payment slot located just left of the main entrance at 1055 Ventura Street, Oak View, CA 93022. Please call 805-649-2251 if you need any assistance. We are here to serve you.

Casitas Municipal Water District conducts public meetings of its Board of Directors as well as Committees of that Board. While the District offices are closed, Casitas will provide conference call information for members of the public to join and participate in the meetings remotely. Please refer to meeting agendas for conference call information: <https://www.casitaswater.org/about-us/board-of-directors>. In addition, Board Meetings are broadcast live via the internet. Once on the Board of Directors webpage, click on 'Board Meetings' and a list of broadcast as well as archived meetings will appear.

Lake Casitas Recreation Area is closed to vehicles, camping, and boating from March 23, 2020 - April 19, 2020 (including Easter 4/12/19). Refunds and credits will be provided to the patrons effected. The park currently remains open to walk-in and bicycle traffic. Due to advisories related to large group gatherings, the District is cancelling the Community Appreciation/Kids Fishing Day that was scheduled for April 4, 2020.

Everyone is encouraged to review the following important resources for latest information and updates:
